"Yes, you are doing a fantastic job under extremely difficult circumstances. The library is spotless and everyone is wearing a mask. And your takeout during the lockdown was a god-send. Thank you all!!!!"

"You were innovative in thinking outside the box in finding a new solution for us to get materials in the beginning days. Thank you so much."

"The pickup option was great but it's so great to have the library open again after all these months. The library is a wonderful resource especially in these challenging times."

"You guys are doing a great job! I am just using the online booking and pick up services for now. It works really well."
