Broaden your horizons this summer by challenging yourself to reach reading goals! Complete as many of the challenges as you can to win prizes all summer long. When you finish all challenges, email your library to receive a book prize!

Complete challenges in any order!

2. Read a non-fiction book about climate change, environmental activism, or an environmental cause. It can be from the childrens, teen, or adult sections of the library!
3. Read a graphic novel or manga.
4. Read a book by an author who is Black, Indigenous, or a Person of Colour.
5. Listen to an audiobook.
6. Ask a friend, parent, or librarian for a book recommendation.
7. Read outside.
8. Read a book set outside of North America.
9. Create something based on a book you've read: e.g., a playlist, recipe, comic, costume, piece of art, fanfiction, or anything else!

How to Enter the Prize Draw: Fill out the Teen Summer Reading Club Challenge Completion Form on your library's website each time you complete a challenge. We'll draw for prizes every week from July 6 until September 7. Prizes will be gift cards to local businesses!
