

**POLICY: FINANCE – BANKING**

**POLICY #: B-FIN-18**

COMMITTEE: Finance & Audit

PASSED: 26 October 2017

TOPIC: Banking

AMENDED:

REVIEW PERIOD: 5 Years

**PURPOSE**

To detail and affirm the North Vancouver District Public Library (Library) use of banking services centralized and managed by the District of North Vancouver.

**POLICY**

The Library will utilize banking services as recommended and managed by the DNV, as part of a larger shared services business model.

**BACKGROUND**

Banking services for the District of North Vancouver and partner agencies are centralized and managed by the District of North Vancouver, using a single bank for most banking services. Centralization facilitates efficient, effective cash management achieving maximum automation, economy of scale and value for money inclusive of preservation of capital, liquidity and rate of return on investments. Banking services are competitively tendered by the District. Funds are made available on demand to service library payment obligations.
