Management Report

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with the Canadian public sector accounting standards, and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements, and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Trustees is responsible for ensuring that management fulfils its responsibilities for the financial reporting and internal control and exercises this responsibility through the Finance and Audit Committee of the Board. The Finance and Audit Committee meets with management regularly.

The external auditors, KPMG LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the *Financial Information Act*. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to the Finance and Audit Committee of the Board.

On behalf of District of North Vancouver Municipal Public Library,

Lara Greguric, Chair of the Board

Jacqueline van Dyk, Director of Library Services

INDEPENDENT AUDITORS' REPORT

To the Chair and Members of the Board of Trustees of the District of North Vancouver Municipal Public Library

Opinion

We have audited the accompanying financial statements of District of North Vancouver Municipal Public Library (the "Entity"), which comprise:

- the statement of financial position as at December 31, 2020
- the statement of operations for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- notes to the financial statements, including a summary of significant accounting policies (hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2020 and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report and includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a matter that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the
 planned scope and timing of the audit and significant audit findings including any
 significant deficiencies in internal control that we identify during our audit.

1. Operations

The District of North Vancouver Municipal Public Library (the "Library") was established under the Library Act of British Columbia in 1963. The Library is governed by a Board of Trustees (the "Board") appointed by the Municipal Council of the District of North Vancouver ("DNV"). The Board, on behalf of the residents and taxpayers of the DNV, oversees the management and operation of the Library and serves as its policy making body.

Funding for the provision of services is primarily through an annual contribution from the DNV. The DNV provides certain administrative support services to the Library at no cost. Title to the land and buildings occupied by the Library is held by the DNV.

The Library is a registered charity and is exempt from income tax.

In March of 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization and continues to have an impact. This has resulted in Canadian and Provincial governments enacting emergency measures to combat the spread of the virus. The economic situation is dynamic and the ultimate duration and magnitude of the impact on the economy and to the Library is not fully known at this time. Management will continue to monitor the on-going financial impact on the Library, and adjust its operations as required to ensure its ability to fulfill its obligations and continue operations.

2. Significant accounting policies

a) Basis of presentation

These financials are prepared in accordance with the Canadian public sector accounting standards.

b) Functional and object reporting

The operations of the Library are comprised of a single function, library operations. As a result, the expenses of the Library are presented by object in the Statement of Operations.

c) Revenue recognition

Revenue is recorded on the accrual basis and is recognized when it is earned. Unearned revenue in the current period is reported on the Statement of Financial Position as restricted revenue.

d) Expense recognition

Expenses are recognized as they are incurred by the receipt of goods and services or the creation of a legal obligation to pay.

e) Use of accounting estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the determination of post-employment benefits. Actual results could differ from those estimates. Adjustments, if any, will be reflected in the financial statements in the period that the change in estimate is made, as well as in the period of settlement if the amount is different.

2. Significant accounting policies, continued

f) Restricted revenue

Receipts of funding which are restricted by legislation or by agreement with external parties are deferred and recorded as restricted revenue. When qualifying expenses are incurred, the deferred amounts are recognized as revenue at amounts equal to the qualifying expenses.

g) Government grants

Restricted transfers from governments are deferred as restricted revenue and are recognized as revenue in the year in which the related expenditures are incurred or the stipulations in the related agreement are met. Unrestricted transfers are recognized as revenue when received or if the amount to be received can be reasonably assured.

h) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year, are not intended for sale in the ordinary course of operations, and include prepaid expenses and tangible capital assets.

Tangible capital assets

Tangible capital assets consist of the library collection, furniture, vehicle and information technology equipment. The library collection and information technology equipment are pooled throughout the year into major groups and an average cost attributed. Furniture and vehicle are recorded at historical cost to acquire and put in service.

The Library assets are depreciated on a straight line basis over the estimated useful life by major group as follows:

Asset	Life in Years
Library collection	2 - 10
Information technology equipment	4 - 15
Furniture	10
Vehicle	10

(i) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(ii) Works of art

The Library owns various works of art, including paintings and prints, and historical arts & crafts furnishings displayed at various Library locations. These assets are not recorded as tangible capital assets and are not depreciated.

i) Reserves

Certain amounts, as approved by the Board, are set aside in reserves for future expenditures. Transfers to and from reserves are reflected as an adjustment within accumulated surplus.

2. Significant accounting policies, continued

j) Post-employment benefits

The Library and its employees make contributions to the Municipal Pension Plan (the "Plan"). These contributions are expensed as incurred.

Sick leave and post-employment benefits are available to the Library's employees. The costs of these benefits are actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The liabilities under these benefits plans are accrued based on projected benefits as the employees render services necessary to earn future benefits (note 4).

k) Cash

Cash is held by DNV on behalf of the Library in separate bank accounts.

3. Due from the District of North Vancouver

Amounts due from DNV are comprised of transactions arising throughout the year and are non-interest bearing, unsecured and have no specified terms of repayment.

These transactions between the District and the Library are recorded at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

4. Post-employment benefits

As per the terms of its collective agreement and compensation policy, the Library provides its employees with sick days and certain employee benefits on termination and retirement. These include severance pay based on years of service and a full year's vacation entitlement in the year of retirement.

The Library uses an actuarial valuation to determine the estimated value of post-employment benefits. The full actuarial valuation is updated every three years. The most recent valuation was completed for December 31, 2020.

	2020		2020		2019
\$	563,700	\$	517,900		
	58,200		53,300		
	16,100		17,600

Actuarial gains and losses are amortized over 8-10 years, being the expected average remaining service period of the related employee group, commencing the year after the gain or loss arises.

	2020	2019

4. Post-employment benefits, continued

The significant actuarial assumptions used in estimating the Library's accrued benefit obligation are as follows:

	2020	2019
Discount rate	2.1%	2.7%
Expected future inflation rates	2.50%	2.50%
Expected wage increases	2.58 - 4.50%	2.58 - 4.50%

7. Municipal Pension Plan

The Library and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2019 the plan has about 213,000 active members and approximately 106,000 retired members. Active members include approximately 64 contributors from the Library.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entryage normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as of December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis. The next valuation will be as at December 31, 2021, with results available in 2022. Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the plan.

The Library paid \$312,823 (2019 - \$309,086) for employer contributions to the plan in fiscal 2020.

8. Surplus returned to the District of North Vancouver

All operating surplus calculated on a cash basis is to be allocated so that 50% is retained by the Library and 50% is returned to the District of North Vancouver unless specified otherwise by mutual consent.

The distribution of surplus is calculated as follows:

	2020		2019
Annual surplus, before distribution	\$ 878,982	9	239,920
Decrease in reserves	3,212		146,190
Change in equity in tangible capital assets	(379,866)		(157,834)
Operating surplus, cash basis	\$ 502,328	9	228,276
50% returned to the District of North Vancouver	\$ 251,164	4	5 114,138

9. Budget data

The operating and capital budget figures, presented on a basis consistent with that used for actual results, were approved by Council as the "2020 - 2024 Financial Plan Approval Bylaw 8435, 2020" on April 20, 2020 and the "Amendment Bylaw 8479, 2020" ("Amendment 2)" on December 7, 2020. Under the Library Act, the Board submits the Library budget to Council. Council approves the budget with or without amendment. Depreciation was not included on development of the budget and, as such, has not been included. The chart below reconciles the amended budget to the budget figures reported in these financial statements.
